MAURICE J. MUISE
 PRESIDENT & CEO
 Muise Mergers & Acquisitions Inc.

WHY USE A BUSINESS BROKER

- Gain a trusted advisor to discuss ways to increase the value of your company before the sale, then present that value in a meaningful way to prospective buyers.
- Use their connections to find eager qualified buyers.
- Use a skilled intermediary to negotiate a sale that helps you achieve your financial and life goals.
- Find an expert resource to insure your sale reduces risks and maximizes favorable terms.
- Receive pro-active help to insure every document is at hand for a timely close so you lower the risk of customer defection and employee problems.

A good business broker will increase the sale price of your business by more than their commission. They also make it easier, smoother, more stress-free and ultimately help you attain your goals for your financial future.

GET IN TOUCH

Maurice (Moe) Muise, President

SELLING YOUR BUSINESS FROM THE BUYER'S PERSPECTIVE

How willing are buyers to pay top dollar for your company? Take this assessment and learn why they will... or won't!

MAURICE (MOE) MUISE founded, ran, and sold two businesses so he knows selling a business is more than just a financial transaction. He looks at every situation with his client's future goals in mind. Moe established his Merger and Acquisitions Company in 1998 to create smooth transitions for both sellers and buyers through strategic guidance and transparent, respectful negotiations. Moe helps you show all the value in your company. Then he brings deep professional resources with international connections to find qualified buyers. Finally he skillfully negotiates on your behalf.

"Moe has a strong work ethic and worked diligently with the Vendor. Purchase agreement to bring the deal to a close. Moe added considerable value to the structuring of an earnest arrangement for the Vendor that will have much less risk and less potential for disputes."

Boyd Hunter, C.A., C.F.P.

HOW WILLING ARE BUYERS TO PAY TOP DOLLAR FOR YOUR COMPANY? TAKE THIS ASSESSMENT AND LEARN WHY THEY WILL... OR WON'T!

SELECT AIRE
 THIS THING IS DISTURBINGLY REAL

No one rejects, dislikes, or avoids pleasure itself, because it is pleasure, but because those who do not know how to pursue pleasure rationally encounter consequences that are extremely painful.

Enjoy a pleasure that has no annoying consequences, or one who avoids a pain that produces no resultant pleasure.

02 NO ALCOHOL, NO COFFEE FOR 15 MONTHS

Circumstances occur in which it will and pain can prevent him some great pleasure, enjoy a pleasure that has no annoying consequences.

03 THE DAY I BECAME A MILLIONAIRE

Now, don't get me wrong, there is an enduring and very real satisfaction and comfort in never having to look at the price of a meal in a restaurant again (even though you still do).
